---

Great thanks.

Are the data in SCRIBE, so that we can add it to the site database and create our figures and estimates? If not, will you add it.

Katrina

On behalf of Matt Jefferson and Deana Crumbling at OSRTI/TIIB I am sending you the Technical Memorandum for the *Investigation of Lead Contamination at the Ethyl Blending and Lead Sweetening Areas*. This report describes the objectives, methods and results from the field work conducted at the Wilcox site in October 2017. This email contains the report, including text tables and figures. Two additional emails will follow:

Email 2 - Appendices 1, 2, 3 and 5 – sample list, photos, QC details, and field notes

Email 3 - Appendix 4 – electronic data files

We appreciate the opportunity to work with you and your team on this interesting assignment. If you have any questions on the report or data please feel free to contact Matt, Deana or myself.

Jim
